

## Approved Apprenticeship Programs & Committees (Program Sponsors)

To start the process of becoming an apprentice, contact a Program Sponsor that provides training in your area.

- If the program sponsor you are looking for is not on this list, please contact their office and ask who they are associated with. Only the program sponsors listed on this document have been approved to give the apprenticeship training. Program sponsors may have an agreement with a salon in your area to provide their curriculum and it is important that you know the name of your program sponsor.
- The Board recommends you shop around for the best price, and you should ask for a contract or agreement so you are aware of the total costs for the program. If you have questions please contact Sandra Torres by email at [sandra.torres@dca.ca.gov](mailto:sandra.torres@dca.ca.gov)
