

CALIFORNIA ESTHETICIAN
PRACTICAL EXAMINATION

CANDIDATE INFORMATION BULLETIN

Please visit www.barbercosmo.ca.gov for the most current bulletin prior to testing.

This bulletin contains important information regarding the NIC National Esthetician Practical Examination content and administration. Please review all information carefully.

IMPORTANT INSTRUCTIONS

- All applicants must present a current valid government issued photographic identification for admittance to the examination. Acceptable forms of identification are as follows: photographic driver license (any state), state identification card (issued by the state Department of Motor Vehicles-any state), U.S. military identification, valid passport (valid foreign passport with valid record of arrival/departure-form I-94 or processed for I-551 stamped in a valid foreign passport), U.S. immigration and naturalization issued identification, certificate of United States citizenship must be current and valid.
- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination.
- Candidates are required to bring their own kit with sufficient quantity of supplies in sanitary condition. This includes the required implements in proper working order, and protective drapes. The kit must be kept closed except when removing or replacing materials for a particular service. The kit will be used during the examination as dry storage and is considered part of the work area.
- Candidates are evaluated at all times. Continue demonstrating until you have completed the entire section.
- Candidates will be given 15 minutes for client protection and to set up the general supplies that they will use throughout the examination.
- Candidates will also be given 2 minutes to set up the supplies for each section of the examination.
- The verbal instructions will be read twice for each section of the examination. Each examination section has a maximum time allowance. Once you have completed all tasks in the section please step back to indicate that you are finished. In the event that all candidates complete the section before the time has elapsed the examiners will proceed to the next section of the examination.
- Candidates must follow all appropriate public protection and infection control procedures during all phases of the practical examination that will ensure the health, safety, and welfare of the public. In the event of a blood spill candidates will be expected to follow the NIC Health and Safety Standards. Failure to do so may result in your dismissal from the examination.
- Cellular phones, pagers, any electronic device, printed materials, and handwritten notes are NOT permitted in the examination room. Talking to other candidates or any examiner is strictly prohibited. Failure to comply with any of these conditions will result in you being dismissed immediately, and your actions reported to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the National Practical Examination. If you have an emergency situation please ask to speak with the supervisor.

- Manufacturer’s labels are required on all disinfectants and sanitizers. An EPA registered disinfectant that demonstrates bactericidal, fungicidal and virucidal properties must be used. Simulated products are NOT allowed for disinfectants and hand sanitizers.

MANNEQUIN

California Esthetician candidates are required to use a mannequin head(s) for all services required on the practical examination.

It is the candidates’ responsibility to appear at the practical examination with their mannequin head(s).
