

## Health and Safety Advisory Committee

The Board of Barbering and Cosmetology is establishing a new Advisory Committee. The new Advisory Committee will be comprised of at least the following:

### Industry Members:

- A licensee/expert from each scope of practice (Barber, Cosmetologist, Electrologist, Esthetician, Manicurist, Establishment Owner)
- Board members
- Industry Association Representation

### Public Members:

- Scientist Representation
- Medical professionals (Medical Doctor, Registered Nurse, Dermatologist)
- Public Health Department Representation
- FDA Representation

The Board recognizes that the Barbering and Cosmetology profession is constantly changing and we realize it is necessary to periodically review and update our processes. We are looking for committee participants that are in a position to provide more variety and a broader knowledge base for the Board, thereby greatly enhancing our knowledge and understanding of the issues facing the Barbering and Beauty industry.

The Board anticipates a one-year appointment term for Committee members. Committee membership is not considered employment with the State of California. Members serve on a voluntary basis and do not receive salary, benefits or travel reimbursement.

If you are interested in becoming a volunteer appointee to the Board's Advisory Committee, please complete an application. Applications must be received by the Board no later than April 1, 2016.
