

INSPECTIONS

Self-Inspection

Conducting occasional self-inspections will help you remain in compliance with the Board of Barbering and Cosmetology (Board), regulations and the laws of California. It will also reduce the number of violations cited during an inspection. The owner of the salon, and licensees working in the salon, will be cited if violations exist during the time of inspection. The following guidelines will assist with self-inspections.

*(B&P) Business and Professions Code
