Authority and Reference: Pursuant to the authority vested by Section 7312 of the Business and Professions Code, and to implement, interpret or make specific Sections 7319(e) of said Code, the Board is considering changes to Division 9 of Title 16 of the California Code of Regulations as follows:

### INFORMATIVE DIGEST

#### A. Informative Digest

Adopt Section 965.1 of the California Code of Regulations.

Business and Professions Code Section 7312 authorizes the Board “make rules and regulations in aid or furtherance” of Chapter 10 of Division 3 of the Business and Professions Code, also known as the Barbering and Cosmetology Act. Business and Professions Code Section 7319(e) exempts from licensing “persons engaged in the administration of hair, skin or nail products for the exclusive purpose of recommending, demonstrating, or selling those products.” The Board is seeking to define term “demonstrating” in regulation.

#### B. Policy Statement Overview/Anticipated Benefits of Proposal

By specifically defining what is meant by “demonstrating” in Section 7319(e), the Board will be better able to determine if an individual performing a particular service should be licensed by the Board of Barbering and Cosmetology. This in turn protects consumers by helping to ensure that professionals who should be licensed are in fact licensed.

#### C. Consistency and Compatibility with Existing State Regulations

After conducting a review for any regulations that would relate to or affect this area, the

Board has evaluated this regulatory proposal and it is not inconsistent or incompatible with existing state regulations.

### FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: There is no fiscal impact associated with this regulatory proposal, which only seeks to make specific a term used in state law.

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Sections 17500 - 17630 Require Reimbursement: None

#### Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

#### Cost Impact on Representative Private Person or Business:

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

### EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulation will not affect small businesses because it only defines a term that already exists in California law.

### RESULTS OF ECONOMIC IMPACT ASSESSMENT/ANALYSIS:

#### Impact on Jobs/Businesses:

The Board has determined that this regulatory proposal will not have an impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

#### Benefits of Regulation:

The Board has determined that this regulatory proposal will help protect the health and safety of consumers by making it easier for the Board to determine if an individual should be licensed by the Board.

### CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposal described in this Notice, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or

other provision of law.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.
