

## **IMPORTANT NOTICE**

The Board is receiving numerous applications and pre-applications for the wrong license type. Please note there are now separate applications for each license type (cosmetology, barbering, manicuring, esthetician, and electrology). Please make sure when submitting an application or pre-application, you and your students are using the correct application for the license type they are applying for. If an application is submitted for the wrong license type and the exam has been scheduled, the applicant will be required to submit an Application for Re-Examination and pay the required fee.

All Applications for Examination and Initial License Fee and the Application for Re-Examination can be found on the Board's website at [www.barbercosmo.ca.gov](http://www.barbercosmo.ca.gov) under the "APPLICANTS" tab, and all Pre-Applications for Examination and Initial License Fee can be found under the "SCHOOLS" tab. Please regularly check the Board's website for the most current version of all applications.
