

SUBJECT: Health and Safety for Hair Care and Beauty Professionals- A Curriculum on Hazards at Work- Survey

1. What challenges have you experienced when using this curriculum in your classroom?

2. Do you feel this publication meets the needs of instructors currently teaching in the California schools? If not, why not?

3. What edits/suggestions would you like the Board to consider when updating this publication?

4. Do you feel the Board needs to include more/less information in this publication? If so, in what area/module?

5. Is your school interested in this curriculum being presented in a different media, such as, a series of recorded webinars, compact disks or YouTube presentations? Or does your school prefer a publication format?

6. Other than English, in what languages would you like to see this information presented?

7. Are you interested in volunteering your time to be on a panel of experts who will review the curriculum upon completions of the edits/revision?
