<p>Depending on how long it takes a student to complete the required number of practical operations, a student may exceed the total number of hours required in a subject, or may not yet meet the total hours required in a subject. If a student does not yet meet the total number of hours required, the school will be responsible for making sure the student completes additional hours to meet the total hour requirement in that subject.</p>					
<p>Per Business and Professions Code section 7389, a separate stand-alone health and safety course on hazardous substances (separate from the health and safety hours required in the Board's minimum curriculum requirements) must be taught in schools approved by the Board. Information on how to obtain the required curriculum can be found on the Board's website at www.barbercosmo.ca.gov under the "SCHOOLS" tab under "School Information/Applications".</p>
