## 2019-2020 LEGISLATION

Bill	Topic	Requirements	Board Position	Status	Implementation
<b>AB 5 (Gonzalez)</b>	Worker status: employees and independent contractors	Codifies the requirements in the Dynamex case and clarify its application. The Dynamex decision would not apply (determination shall be governed by Borello) for services provided by a licensed esthetician, licensed electrologist, licensed manicurist, licensed barber, or licensed cosmetologist provided that the individual: sets their own rates, processes their own payments, is paid directly by clients, sets their own hours and has sole discretion to decide number of clients and which clients they provide services, has their own book of business and schedules their own appointments, and maintains their own business license for the services offered to clients. Also, if the individual is performing services at the location of the hiring entity, then the individual issues a Form 1099 to the salon or business owner from which they rent their business space. This subdivision shall become inoperative, with respect to licensed manicurists, on January 1, 2022.	<b>SUPPORT IF AMENDED to remove all language referring to BBC licenses</b>  (note: the above did not occur)	<b>Chaptered by Secretary of State - Chapter 296, Statutes of 2019.</b>	N/A
<b>AB 193 (Patterson)</b>	Professions and vocations	Requires DCA to conduct a review of all occupational licensing requirements and identify unnecessary licensing requirements. Requires each board to submit to DCA an assessment on the board's progress in implementing policies to facilitate licensure portability for active duty service members, veterans, and military spouses. DCA would then report to the Legislature. Removes shampooing and applying makeup on another person from practice of barbering and cosmetology but requires the unlicensed person to disclose verbally or in writing prior to performing service that they are not licensed.	<b>OPPOSE</b>	Died 01/31/2020. A person providing labor or services for payment is considered an employee rather than an independent contractor unless the hiring entity demonstrates that the person is: 1) free from control and direction AND either that 2) the person performs work outside the usual course of the hiring entity's business, or the work performed is outside the place of business, or the worker is responsible for the costs of the place of business where the work is performed, OR 3) the person is customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the work performed.
