

SUPPLEMENTAL FOR THE CALIFORNIA NATIONAL COSMETOLOGY CANDIDATE INFORMATION BULLETIN (CA CIB)

This is a California specific addendum to the CA CIB. Please refer to the CA CIB for examination specifics, equipment, tasks, content area and *verbal instructions. The CA CIB can be found on the Board of Barbering and Cosmetology's website www.barbercosmo.ca.gov or www.nictesting.org (National-Interstate Council of Cosmetology State Boards, (NIC)). Be sure to obtain the **California** (CA CIB) if you get the CIB from NIC website.

*Throughout the CIB, when it refers to Proctor or Examiner, the verbal instructions will be given by one person—the California examination only uses examiners in administering the practical examination.

Cosmetology Practical Examination Content Sections

The NIC CIB shows all services that are provided by the NIC; however, California will only test on the services listed below. Students must be prepared to do all of these services during testing.

Work Area and Client Preparation, and Set Up of Supplies, Thermal Curling; Haircutting, Work area and New Client Preparation and Set Up of Supplies, Chemical Waving, Predisposition Test and Strand Test with Simulated Product, Highlighting with Foil, Virgin Application with Colored Simulated Product, Hair Color Retouch with Colored Simulated Product, Virgin Hair Relaxer Application with Colored Simulated Product, Blood Exposure Procedure, Basic Facial, Sculptured Nail

Exam Notice (Admission Letter)

You will receive an admission letter from the California State Board of Barbering and Cosmetology which will include the date/time and location of the examination you have been scheduled for. Please read all of the information on the admission letter carefully. (e.g., is the location correct? Is your name spelled correctly and does it match your government issued ID?). You must notify the Board immediately if anything is wrong. You will be required to present your admission letter and identification upon check-in at the testing site.

Identification Requirements

All candidates must present a current valid government issued photographic identification for admittance for each examination. Acceptable forms of identification are as follow: photographic driver license (any state), state identification card (issued by the state Department of Motor Vehicles (any state)), U.S. military identification, Employment Authorization Card, unexpired valid passport – any country, Permanent Resident Card, U.S. Immigration and Naturalization issued identification.

The name on the admission letter must match the name on your identification and the photograph must be recognizable as the person to whom the identification card was issued. All I.D.'s must be current/unexpired.

Keep your ID with you at all times. Candidates may only leave the examination area with permission once the examination has started.

Equipment and Supplies

Candidates are required to bring sufficient equipment and supplies in sanitary condition to perform all services. Please refer to the (CA CIB) for the list of suggested examination supplies. There are kit companies and schools that sell or rent the supplies and equipment listed on the CA CIB. However, they are private entities not affiliated with the Board. It is your responsibility to make sure the supplies you bring are in compliance with the CA CIB. For example, manufacturer's labels are required on all disinfectants and sanitizers (and must be legible). Make sure you check your kit before entering the exam site.

The kit will be used during the examination as dry storage and is considered part of the work area. The kit must be kept closed throughout the exam except when removing materials for a particular service.

Mannequin Head and Hand

California Cosmetology candidates are required to use a mannequin head(s) and hand(s) for all services required on the practical examination.

It is the candidate's responsibility to appear at the practical examination with their mannequin head(s), **tripod (width of the base must be 29" or less)** and mannequin hand(s) with artificial nail tips attached.

Note: Mannequin heads that have been purchased pre-sectioned indicating the sections by various colors and/or notches, have markings on the scalp area, etc., are **NOT** allowed during any part of the practical examination. Candidates with mannequins marked to aid with their service will be disqualified from the exam.

Mannequin hands with removable fingers (trainer hands) and individual fingers are **NOT** permitted during the examinations. Prior to reporting to the examination candidates **MUST** apply a set of artificial nail tips to the mannequin hand(s). The artificial nail tips must cover the entire nail bed of each finger.

Cellular Phones, Electronic Devices, Etc.

Cellular phones, pagers, watches, any electronic device, printed materials, and handwritten notes are **NOT** permitted in the examination room. Talking to other candidates or any examiner is strictly prohibited. Failure to comply with any of these conditions may result in you being disqualified, and your actions reported to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the National Practical Examination. If you have an emergency situation please ask to speak with the supervisor.

Important Instructions

For Sculptured Nail Services: The acrylic product used must be odorless/no odor. The product must be in its original container, **factory sealed** and manufacturer's label and must state 'odorless or no odor'. Note: Although it is labeled 'odorless' or "no odor", if the product has an odor, candidates will not be permitted to use it.

Chemicals for Chemical Waving, Virgin Hair Lightening, Hair Color Retouch, Virgin Relaxer Application and Relaxer Retouch will be simulated.

Aerosols are not allowed for the examination.

Complete and legible manufacturer's labels (in English) are required on all disinfectants and sanitizers. An EPA registered disinfectant that demonstrates bactericidal, fungicidal and virucidal properties must be used. Simulated products are **NOT** allowed for disinfectants and hand sanitizers.

There are sinks available for the candidates use at the Board's testing sites for water.

NATIONAL COSMETOLOGY
PRACTICAL EXAMINATION

CANDIDATE INFORMATION BULLETIN (CIB)

EXAMINATION CONTENT AND IMPORTANT ADMINISTRATION INSTRUCTIONS

Please visit your official examination provider website OR www.nictesting.org, for the most current bulletin prior to testing.

National Cosmetology Practical Examination is the licensure examination for Cosmetologists, which is developed by the National-Interstate Council of State Boards of Cosmetology (NIC).

This bulletin contains IMPORTANT INFORMATION regarding the NIC National Cosmetology Practical Examination content and administration for Cosmetology core services and additional sections.

For each NIC National Practical Examination, there are multiple parts to every Candidate Information Bulletin (CIB) stored as separate documents:

- **Important Instructions and Examination Core Domain Content**– This document provides information and guidelines related to administration of the Practical examination and information about the scope of content covered in the core sections of the Practical examination.
- **Additional Services** – These individual documents provide information about additional sections offered by NIC for examination. Check with your State regulatory agency or examination administration vendor to determine which of these sections your State requires as part of their Practical examination.
- **References** – This document provides a list of references used to develop and support the content covered in NIC examinations.

The references will always be the same for both Theory and Practical examinations.

BE CERTAIN TO DOWNLOAD AND/OR PRINT AND REVIEW ALL DOCUMENTS THAT MAKE UP THE NIC EXAMINATION CIB.

PLEASE REVIEW ALL INFORMATION CAREFULLY!

IMPORTANT INSTRUCTIONS

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination. **Picture ID is required for re-entry into the examination.**
- Candidates are required to bring a supply kit for their own use.
 - It is the candidate's responsibility to make certain they have a sufficient quantity of supplies that have been properly cleaned and disinfected and that implements are in proper working order.
 - The kit will be used during the examination as dry storage and is considered part of the work area. The kit must be kept closed (e.g., completely zipped or lid tightly closed) except when removing materials for a particular service.
 - Candidates may remove items, supplies, etc., from the kit at any time, however nothing may be returned to the kit.
 - All examinations are administered in a testing environment.
 - Candidates are evaluated at all times. Continue working until you have completed the entire section or time has elapsed.

NIC National Cosmetology Practical Examination

- Due to standardization of the NIC National Examinations. Proctors and examiners are required to adhere to the following standards:
 - The verbal instructions will be read twice for each section of the examination.
 - With the exception of verbal instructions, the proctors are not allowed to communicate with candidates.
 - Candidates requesting information during the examination will be told one of the following statements:
 - “Do the best you can with what you have available.”
 - “Do as you were taught.”
 - Examiners are not allowed to speak with candidates.
 - If a candidate experiences an emergency situation, please notify the proctor by raising your hand.
- Candidates will be given time to set up the universal (also known as general) supplies they will use throughout the examination.
 - Each section of the examination has a maximum time allowance, with the exception of those specified as untimed sections.
 - Once a candidate has completed all tasks in the section, please step back or turn the hand toward the examiner (in the case of nail sections) to indicate they have finished.
 - In the event that all candidates complete a section before the time has elapsed, the examiners will proceed to the next section of the examination.
 - When the timer goes off, all candidates must stop working and step back or turn the hand toward the examiner (in the case of nail services) IMMEDIATELY.
- During all phases of the examination, candidates must follow all appropriate public protection and infection control procedures and maintain a safe work area.
 - In the event of a blood exposure incident, candidates will be expected to follow the NIC Health and Safety Standards.

Failure to do so may result in your dismissal from the examination.

- *Be sure to contact your examination provider to obtain the most current version of, and any addendums to the NIC Health and Safety standards, OR go to www.nictesting.org for a current downloadable copy.*
- **If a candidate does not follow infection control procedures or allows the work area to become and remain unsafe, the result may be a failing score for the examination.**
- The following provides examples of materials and actions that are prohibited during the examination administration:
 - Possession of cellular phones, pagers, tablets, computers, projectors, cameras, or any other electronic or recording devices, printed materials, or handwritten notes.
 - Purses, bags, coats, hats, and any other personal items not directly needed to complete the examination, are not allowed.
 - Exhibiting disruptive behavior.
 - Communicating to other candidates or any examiner.
 - *The above referenced items or actions are not an exhaustive list. Failure to comply with any of these conditions or exhibiting ANY behavior that suggests an effort to cheat will result in the immediate dismissal from the examination and the candidate’s actions reported to the proper authorities.*
- **All supplies must be labeled in English.** When an original manufacturer's label is required, there can be NO handwritten or any other type of labeling. Original manufacturers’ labels must have English and may also include other languages. All non-manufacturers created labels must be only in English.
 - Original manufacturer’s labels are *required* for all disinfectants and hand sanitizers.

NIC National Cosmetology Practical Examination

- An EPA-registered, hospital-grade disinfectant that demonstrates bactericidal, fungicidal, and virucidal properties must be used. Please refer to the “*Suggested Examination Supplies*” section to see any further state specific requirements for supplies and products.
- Simulated products are *not* allowed for disinfectants and hand sanitizers.
- **NO AEROSOLS** are allowed in the testing environment
- Candidates are to perform all tasks, utilizing products and supplies, and as they were taught. There is however, a section titled “*Suggested Examination Supplies*” provided following the “Content Domains” section of this bulletin for items that a candidate may *possibly* utilize in a section.

NIC MODEL OR MANNEQUIN REQUIREMENTS

Please refer to your state specific guidelines for model and mannequin requirements.

If your state requires that you use a mannequin head(s) or hand(s):

- Candidates who are required to use a mannequin head(s), it is the candidate’s responsibility to come prepared for the examination.
- Mannequin heads that are premarked or presectioned are not allowed for any part of the practical examination.
- Candidates who are required to use a mannequin hand(s). It is the candidate’s responsibility to come prepared for the examination.
- Mannequin hands must be an entire hand and cannot have removable digits.
- Mannequin heads and hands must be approved by the examination state/vendor prior to admittance into examination.

SPECIAL ATTENTION

The following information is vital and specific to the
NIC National Cosmetology Practical Examination:
