

KEEP YOUR SPAS SPARKLING

USING DISPOSABLE FOOT BASIN OR TUB LINERS

Single use, disposable, recyclable liners designed specifically and manufactured for use as a foot basin or tub liner shall be disposed of immediately after each use and may not be disinfected or reused. Establishments or schools that utilize the liners must *maintain a supply of five (5) liners per foot tub basin or tub for use at all times.*

Steps to follow after each client:

1. **Dispose** of the pedicure basin or tub liner.
2. **Scrub** the basin or tub and clean *all visible debris* with a clean brush and liquid soap (labeled as such on soap product) and water.
3. **Rinse** the basin or tub with clean water.
4. **Dry** the basin or tub with a new, clean paper towel.
5. **Record the cleaning procedure in the pedicure equipment-cleaning log.** The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done after a client. The pedicure equipment-cleaning log shall be made available to either a client or a board representative upon request.
