USING DISPOSABLE FOOT BASIN OR TUB LINERS

Single use, disposable, recyclable liners designed specifically and manufactured for use as a foot basin or tub liner shall be disposed of immediately after each use and may not be disinfected or reused. Establishments or schools that utilize the liners must *maintain a supply of five (5) liners per foot tub basin or tub for use at all times*.

Steps to follow after each client:

- 1. **Dispose** of the pedicure basin or tub liner.
- 2. Scrub the basin or tub and clean *all visible debris* with a clean brush and liquid soap (labeled as such on soap product) and water.
- 3. Rinse the basin or tub with clean water.
- 4. Dry the basin or tub with a new, clean paper towel.
- 5. Record the cleaning procedure in the pedicure equipmentcleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done after a client. The pedicure equipment-cleaning log shall be made available to either a client or a board representative upon request.
