Estheticians Needed

The Board of Barbering and Cosmetology (Board) is currently in the process of conducting an Occupational Analysis on the esthetic profession. One of the steps in this process is that the Office of Professional Examination Services (OPES) will conduct two-day workshops with select licensees. The Board is seeking estheticians located throughout California to assist with this project.

The first workshop will be conducted virtually/online on August 27-28, 2020. Participants will be expected to participate all day. If you are not available for the entire day, please do not respond to this invitation.

The Board seeks Estheticians who meet the following criteria:

- Have a current/active license.
- Regularly provide esthetic services on clients in a Board-licensed establishment.
- Have not received a violation from the Board within the last five (5) years.

If you meet the criteria above and are interested in providing valuable input which will assist the future generations of the esthetic industry, please email Allison.Lee@dca.ca.gov (subject line: Esthetician OA) with the following information:

- Your name
- Your phone number
- Your license number
- The license number of the establishment in which you work

Thank you for your assistance with this important project.
