Artificial Nails and Wraps	25		120 nails		

Total Hours Completed in Manicuring and Pedicuring: _____ hours (100 total hours required)

Depending on how long it takes a student to complete the required number of practical operations, a student may exceed the total number of hours required in a subject, or may not yet meet the total hours required in a subject. If a student does not yet meet the total number of hours required, the school will be responsible for making sure the student completes additional hours to meet the total hour requirement in that subject.
